* = required field

CHECK ELIGIBILITY ADD TO BATCH CLEAR FORM

Step 2: We can use different option to check eligibility on RPA depends on the available data on excel file(live tracker).

Submit > RT Eligibility Inquiry | Upload CSV File

Site: Northwestern Memori... Tax ID: xxxxx0144 Site NPI: 1124025176

Provider Code: BI - Billing Provider Taxonomy: Taxonomy Code

Payer: Illinois Medicaid Relationship Self Search Option: Member ID

Code ID: 1P

Member ID (2-18 alpha-numeric) Complete member ID required, include any prefix and/or suffix.

Date of Service (mmdyyy) To

* = required field

CHECK ELIGIBILITY ADD TO BATCH CLEAR FORM

Step 3: Proceed to Step 4 if the eligibility is Active. If eligibility doesn't show active (REJECTED , INACTIVE , etc.) then note the Live tracker regarding the status of eligibility.

Example:

Status : No Eligibility

OGA Notes: Rejected

Step 4: If the eligibility is Active, then Go to PACE click visit then change the **status of visit** from hold to Manager Review. Then the **Was pt screened** put Yes , **Screen date** change to today or yesterday's date and then hit save.

HCR: Unassigned

Medical Service Category: Patient General

Visit Type: Out-Patient

Visit Result: Hold

Visit Result Detail: Manager Review

Room: EX 06

Floor Number:

Nursing Station:

Building:

Admit Date: 12/30/2024

Referral Date: 1/1/2025

Discharge Date: 12/30/2024

Was the Patient Screened? Yes No Not Applicable

Screen Date: 4/16/2025

Discharged Prior to Referral: ☒

Is Pregnant (OB): ☐

Is Incarcerated: ☐

Hospital Archived: ☐

Financial Class: SELF-PAY

Patient Class: ED - Emergency Department

Step 5: Add note on PACE with the following format:

HCR , Custom Note and Private.

Format: RPA shows active Medicaid RIN # (place RIN number)

Example:

Pace Notes - Work - Microsoft Edge
https://pace.changehealthcare.com/PaceNotesFrame.aspx?IsURL=https://pace.changehealthcar...

Note Template

Role Type *
HCR

Note Template *
Custom Notes

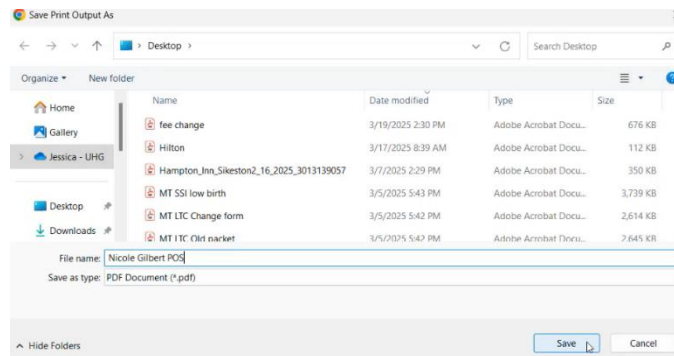

Note *
RPA shows active Medicaid RIN# 444417679

Private
High Importance
Add to all active visits

Preview Cancel Save

Step 6: Go back to RPA. Print the page(right click select print). Save the PDF as (Name of the Patient POS)

Example: Nicole Gilbert POS

Step 7: Once PDF is downloaded, go back to PACE and click **Evidence**. Please follow this format in uploading the evidence:

Evidence

Action
Add Evidence

Evidence Category
Personal Evidence

Evidence Type
Miscellaneous Evidence

Hit save and proceed to the next patient.

Reminders:

If the account is on billing list, just add evidence (Pdf from RPA)

Active but temporary coverage for IL - Treat as not active
